in Haryana.
* National Quality
Excellence award 2019

AWARD CEREMONY

BEANSTALK AND EARLY YEAR ALLIANCE COLLABORATION

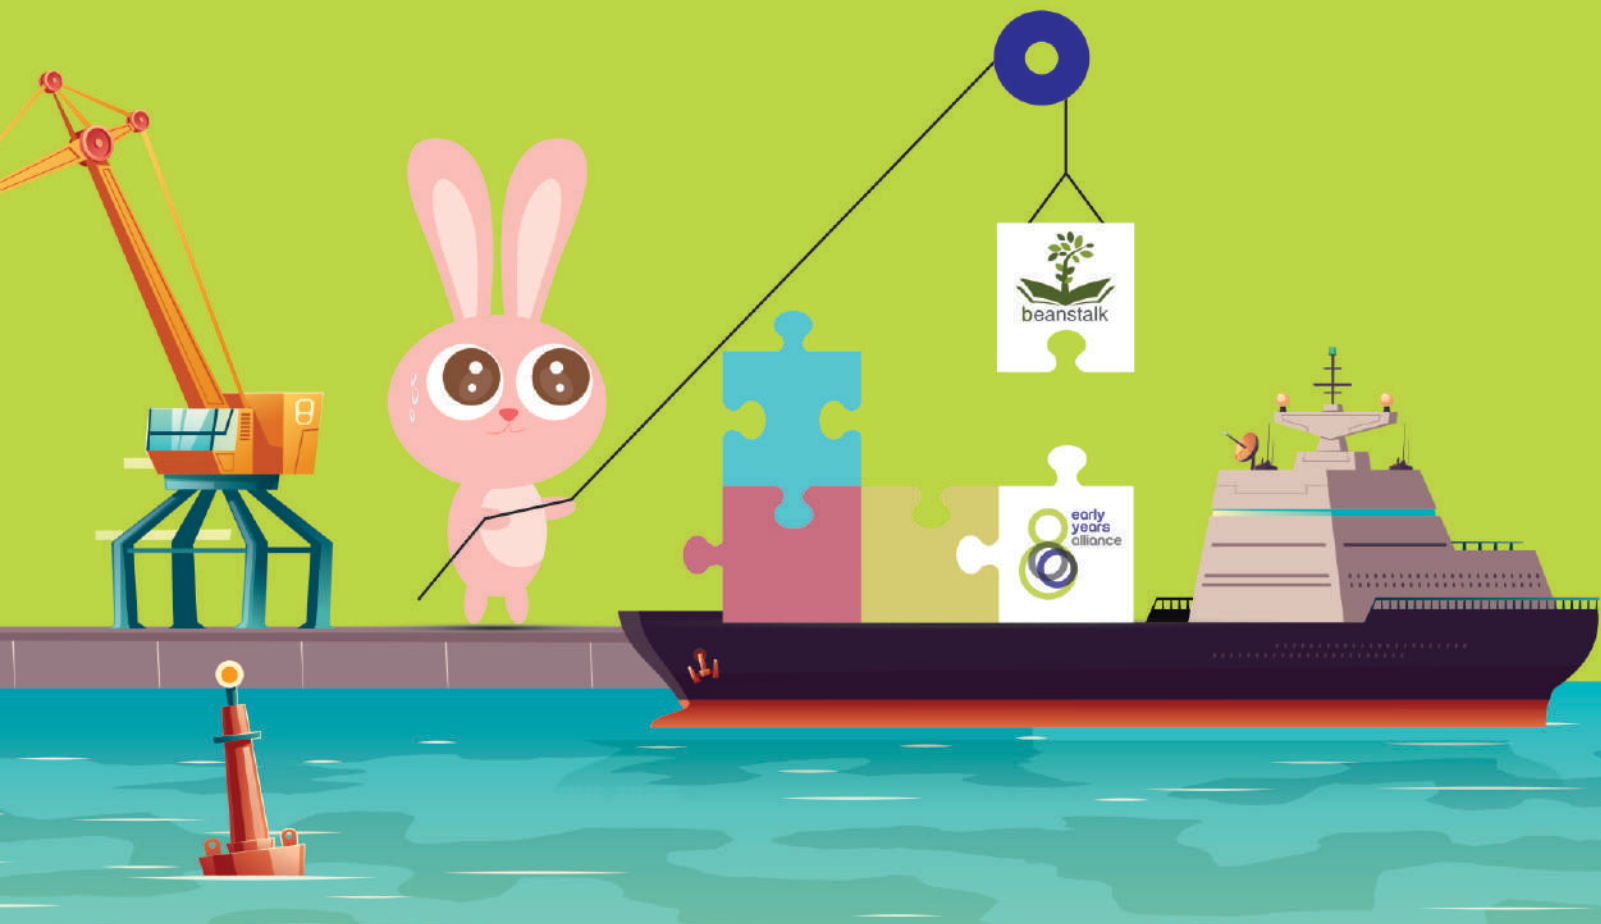

Beanstalk India, in association with EARLY YEARS ALLIANCE (UK), bring you a programme that incorporates international early year pillars of care and education along with Beanstalk Pedagogy in Indian context.

The pedagogy has been crafted on the concepts that a child's learning should prepare him/her for life and not just for school.

Our Teacher training programme in association with Early years alliance (UK) (Powered by Educare for education, England) is comprehensive programme that hopes to bring quality teaching in India by sharing international early year teaching concept and some of the world's best learning practices and success stories in ECCE.

Speaking of the collaboration, Mr Jatin Chawla Chairperson, Beanstalk Pre School, India said, "We are extremely delighted to pave way for 'international exposure' for our new-age teachers and early learners via our partnership with Early year alliance UK. This is one of the many initiatives in the near future, around our vision of providing an environment, where children are trained to develop lifelong skills in addition to conceptual learning. The program takes a grassroots approach of equipping a new breed of teachers with the right methodology to nurture productive, lifelong learning and bring a shift in the way to teach our little minds. We also believe that this is a big stepping stone for existing and aspiring teachers to upskill themselves.

YOUR CHILD'S LEARNING & PROGRESSION

Here in beanstalk, all children in the early years foundation stage have an individual profile which monitors their level of development. We digitally build a profile and record your child's learning and progress periodically. That can be tracked to know about child progress on the "Beanstalk School India App" for which login ID and password would be provided to the guardians at the time of enrollment.

Due to small class sizes we can allocate a key staff worker to your child who will have an on-going relationship which will focus on your child's progression and gain a clean understanding of his/her learning capabilities.

Each term, we have a different theme and we plan stimulating learning activities within Pre-School for the children to explore and enjoy, in both indoor and outdoor learning environment.

Work Hard, Be Kind.

BEANSTALK ECLECTIC APPROACH

Beanstalk unique child-centric curriculum is based upon Eclectic approach that focuses on the holistic growth of the child. It is based on whole brain development theory with the activities that enhance brain skills and easy to implement with play based exploratory activities that develop Motor Skills, Creative Skills, Personal Social & Emotional Skills, and Communication & Language Skills.

"There are only two lasting bequests we can hope to give our children One is roots, the other are wings"
-Hodding Carter

BEANSTALK INDIA

At Beanstalk Early Learning Center, the mission is to see the positivity in every child and aim to bring about the best in them. Through activities and experience based Learning, Beanstalk fosters holistic development of your child.

Beanstalk emphasizes and encourages your support as a parent or guardian at all times. We believe in complete transparency among teachers and parents that helps in the child's progress. This remains true, irrespective of the age group of your child falls into.

PROGRAMES OFFERED

Toddler | Nursery | Junior KG | Senior KG

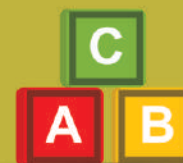

Activity Center

"Every Child has a different learning Style and pace.
Each child is unique, not only capable of learning
but also equally capable of succeeding"

TODDLERS PROGRAM

These crucial years between infancy and childhood can make all the difference. That's why, at Beanstalk, we ensure that we encourage toddlers to develop a variety of necessary skills in a fun and interactive way. With each skill or stage your child masters, every new stage begins.

Fine Motor Skills

Development of finger and hand movements

Gross Motor Skills

Focus on crucial skills like walking, running and kicking.

Emotional Skills

Exploring the world of emotions and teaching skills like sharing and caring.

Social Skills

Imparting skills like responding to action, asking question and engaging in small conversations.

Communication Skills

Singing, reciting rhymes and sharing experiences with confidence

Cognitive Skills

Sowing seeds to help them think, learn, understand and accumulate knowledge.

NURSERY

At this age, your child can be introduced to a more structured style of learning. As our insights into their perception of the world is much deeper now, your child is no more just a learner, he or she is also capable of creating at his/her age.

The teachers at Beanstalk make use of several diverse medium to help your child discover new concepts and ideas smoothly, for example the nursery curriculum includes activities involving music, storytelling, reading time, center and circle time, sensory play, DIY's, puppet shows etc.

KINDERGARTEN

These years help in defining the rest of your child's school life. That's why we take great care to ensure that your child is trained in all vital skills - social, emotional, physical and intellectual before he or she graduates from Beanstalk.

When it comes to academic skills related to basic math and science, our teachers will help your child develop the ability to identify and distinguish shapes and identify patterns. Your child will also be introduced to basic reading and writing skills to help him/her develop meaningful literary skills.

Physically, we help your child strengthen his or her muscle movements through interactive program such as obstacle course, ball throwing, junior basket ball, hopscotch, junior badminton, yoga and aerobic sessions etc.

#KRA of Beanstalk

BEANSTALK HAPPY FEEL CLUB

A unique programme that focuses on child's passion or interest in the guidance of experts.

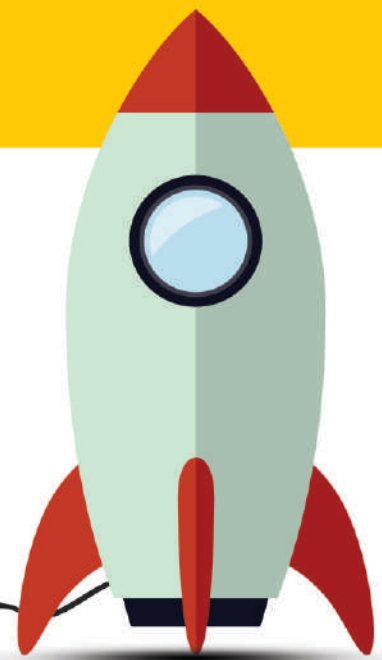

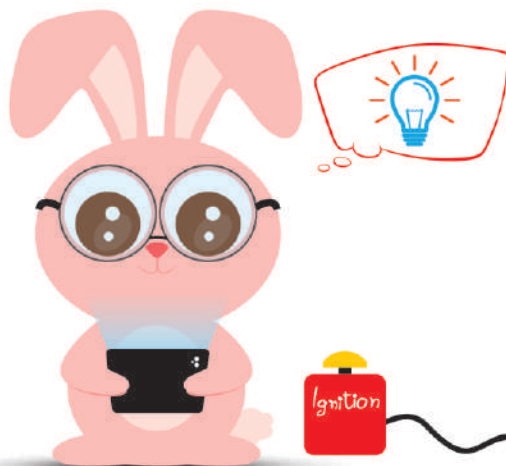

Club includes activities like Art & craft, dance, fitness & yoga, excursions, gym, audio visual sessions and junior physical education.

KIDS FUN DISCOVERY PROGRAMME (KFDP)

The KFDP allows your child to learn through discovery in a fun way, they will be engaged in creative and stimulating activities such as Speech & Drama, Cookery, Music, Art & Craft, Treasure hunting, Parachute play, science experiments and Educational games.

KFDP enhances your child's compute, social & emotional development, imagination, creative talents and problem solving skills.

FITZROY ENGLISH READING PROGRAMME

It is not enough to be fluent in English, but also to be aware of the right pronunciation, reading and understanding of the language. Therefore this programme is fully integrated into the curriculum, aiding the child with fluency in the language and delivery of it.

SINGAPORE MATH

Growing Mathematician

Beanstalk has unique learning programme for growing Mathematicians based upon Singapore Math Model for early years.

This model helps in developing the ability to identify and distinguish shapes & pattern by visual differentiation.

BEANSTALK SCHOOL READINESS (BSR)

Circle & center time in every day time table gives a chance to interact and participate with the teachers and peer group to develop high level of inter personal skills.

HEARD ABOUT ICE BREAKING DISCOVERY AREAS IN PRE-SCHOOL? TAKE A LOOK!

At Beanstalk, we firmly believe that practical learning is the best way to develop skills. This is why, we've developed specific areas for children to explore Science, express their creativity and take part in activities for a hands-on learning experience. Thus, do everyday activities for fun and purposeful engagement with easy step by step instructions.

SCIENCE & SENSORY AREA

In this area, we help the child with hands-on exploration activities, where he/she learns about basic science DIY's related to concepts, using simple materials and experiments.

CREATIVE ARTS AREA

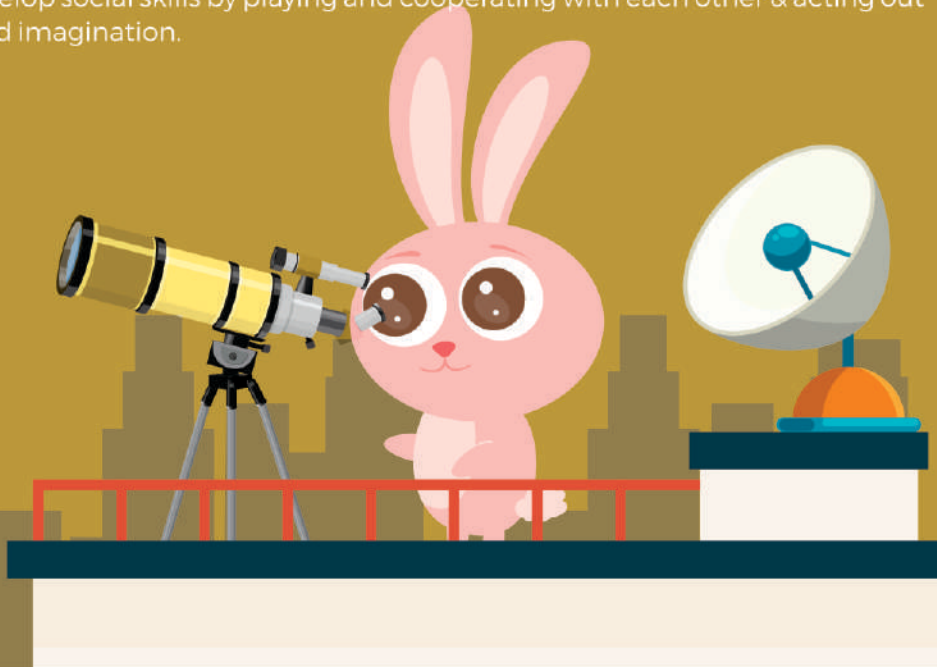

Children express themselves imaginatively & build skills and confidence using tools and materials in this discovery area.

BLOCKS & ACTIVITY AREA

Toddlers develop fine motor skills and hand eye coordination by sorting, grouping and balancing blocks. These activities also exercise their creative thinking and problem solving abilities besides developing a strong conceptual foundation through hands-on learning experiences.

DRAMATIC PLAY AREA

Here children explore language and develop social skills by playing and cooperating with each other & acting out events from their daily lives and their vivid imagination.

TECHNOLOGY ENABLED LEARNING

Beanstalk has a leading edge in technology thus providing hi-tech designed curriculum integrating a healthy affinity towards technology. However, it is strictly monitored that technology is not overpowering the simplicity of learning. Thus the teachers at Beanstalk ensure that kids are not overtly getting attached to gadgets and gizmos, thus maintaining a perfect balance of technology (friendly learning is important here).

FUN @ BEANSTALK

As you know, Beanstalk is all about making learning fun. So, we celebrate 'Special days and events', as social engagement activities with children to help them understand the environment, and the people around them that they socialize with as they grow.

FESTIVAL CELEBRATION

Celebration of festivals at school gives the real understanding to increase bonding and social skills among them. Makes children express themselves freely

FAMILY ENGAGEMENT

- We invite parents/guardians to get involved with their children in activities and games
- We also invite grandparents to school on special days to interact with their grandchild in unique ways

THEME & COLOUR DAYS

- We ask children to dress up as famous individuals/characters on school celebrations.
- We take children for excursions to connect them with current concepts and themes.

GRADUATION DAYzz

Each child gets an opportunity to wear the graduation robe and cap to receive his/her graduation certificate, when he/she graduates from one class to the other every year.

BIRTHDAY CELEBRATION

Each child gets an opportunity to celebrate his/her B'Day with his/her family at Beanstalk amidst balloons, music, games and beautiful atmosphere with lot of surprise goodies.

WINTER FIESTA

During Christmas the school organises winter fiestas' a small carnival in the school which includes book fair, games, tattoo zone, Santa meet, photo corner and mom & me duos' contest.

MOST AWAITED EVENT OF THE YEAR

"Beanstalk Annual Fest"

Here in Beanstalk, the children are given ample opportunities to perform on big platform. We realize the need of performing in front of audiences as it gives the child confidence, self-beliefs and exposure.

Therefore, every year, an annual concert is organized around a unique theme. Every child participates in these concerts. These are usually grand affairs with lots of music, colours and movements. These concerts are the highlights of the academic year and offer a platform for children to become comfortable performing on stage with the support of trained Choreographers.
